

“Hi, I’m
iTero Element 5D.
And I add a new
dimension to smile
transformation.”

iTero[®] element 5D

One stands above all the rest.

“ With the iTero Element® 5D system, a diagnosis is easy to make, and since I can show my patients what I am seeing, they understand the situation better, and in turn, accept the proposed treatment. ”
— Dr. Tim Nolting
