

D&S Dental Laboratory Schedule

Please note that the schedule listed below includes the number of days the case will be in the laboratory. Shipping days should be added on when determining when the case will get back to your office. In addition, the day the case is received in the laboratory is not included if the case is received after noon.

Digital Photos

D&S encourages you to send case photos whenever you can. Upload your photos at dnsdental.com/photos. Our HIPAA-compliant Photos Uploader encrypts files upon submission and routes to the correct department in the lab. For tips on taking better shade photos, go to dnsdental.com/shadetips.
